DCI Country Briefings

1. Attached is the most recent list of briefings for the DCI. You will note that [redacted] [redacted] ORD, is scheduled to brief on 4 March. I checked Dr. Wheelon's calendar and note that Russ scheduled a dry run briefing for Monday, 28 February, 1400-1430. I called [redacted] and learned that he had not planned to give a dry run to his office prior to giving one to Dr. Wheelon.

2. I called [redacted] and learned that Chuck will have the briefing boards ready by Monday morning so that they would be available for [redacted] to use in briefing a senior officer in ORD prior to his afternoon session with Dr. Wheelon. I put a call in to Bob Chapman and when I talk to him this afternoon, I will suggest that he hear [redacted] briefing on Monday morning. Is this all right with you or do you have any recommendations?
